

Menus " 2023"

Dear Sirs/Madam,

Welcome to the wonderful World of " McAllister's Catering" where for 27 YEARS... we have created various menus to get the taste buds going for many Corporate Companies or the Individual wanting to Entertain Friends Or Family... Our Aim is to make sure that whomever we cater for has a Meal Experience that will be Memorable. " CATERING" is our game and we pride ourselves in offering you a personal and dedicated service...

We also offer:

" HIRING" from A-Z and from a Beginning to End of Function Service

Why not give us a call today - we at McAllister's are looking forward to hearing from you and our qualified team will be there to assist you. Alternatively visit our website.

PLEASE NOTE

" We are Halaal Friendly" We also Have Hallal Caterers that assist us when need be..
In fact all our Chicken & Lamb comes from a preferred Halaal Supplier...
Short Notice Cancellations of functions will result in a 50% fee within reason of course...
Most of the menus have been created for 10 persons or more...
Please Note All Menus are priced excluding 15% Vat
The delivery charges are subject to the area and distance to travel
All heating equipment charged out at an extra cost...Where applicable
We also provide different beverages at prices on request

Yours in catering

McAllister's Catering At Your Service...

History

21 Aliwal Street, Year 1996 McAllister's Coffee Bar was open for business, a small yet very successful coffee shop. Greg and Carol McAllister armed with years of experience in the food and hospitality industry opened this humble coffee shop. The continual growing of the coffee bar demanded for an extension due to the large amount of customers.

About McAllister's

McAllister's are known for our attention to detail and commitment to service excellence. We take great pride being one of the official caterers to the Jonsson's Kings Park Stadium (Home of the Sharks), as well as catering for some of Durban's high-powered corporate industries.....

We are able to cater for just about any function and our customer can choose from our customized menu with a large variety of options, Alternatively Creating a Menu that would suit Your Function Needs and Themes...

Success of this sort is always
A team effort...
