

The Boat Club donates \$3,000 to the Dead Boats Society

A big “Thank you” to the Boaters Only Association of Texas, Inc. (also known as “The Boat Club”) for its generous donation of \$3,000.00 to Citizens Against Derelict Dumping, Inc. DBA The Dead Boats Society (aka as CADD). The Boat Club’s donation will be used by CADD to facilitate the removal of abandoned boats from Clear Lake area waters.

At CADD’s August monthly public meeting, Members of the Boat Club, including John Ripple (President), Randy Fluker (Vice President), Lucky Kilmer and Michael Willard, presented the Club’s \$3,000 check to CADD’s CEO, Russell Laveigne (who is also a member of the Boat Club) and CADD’s President, George Harris.

Boaters Only Association of Texas, Inc. is a Texas non-profit, 501(c)3 charity corporation organized to promote boating activities and safe boating awareness. The Boat Club conducts an annual poker run and donates the proceeds to local charities. CADD is appreciative of The Boat Club’s donation.
