Unveils Expanded Line-up, NEW Corporate Event Services

If you're looking for a wonderfully-different way to enjoy meetings and conferences and take team building to the next level, give Florida-based Actors With a Clue! serious consideration

"It's all in my company name," says Lori Revilla, Owner and Event Consultant of Actors With a Clue! "You get my dedicated, professional cast and crew who have a clue about everything they are doing. I listen to clients, I customize, I bring everything for a great event. What I don't bring is canned material: Every show and concept is conceived by and written by me and my pros—allowing us to completely customize our entertainment to your attendees' needs."

Currently, Actors With a Clue! services all of Florida, Georgia and North and South Carolina.

Revilla is unique in the sense that she is both a planner and supplier, providing seamless integration across corporate events with her sister company, Events From Lori. She has over 20 years' experience as a former SAG-AFTRA actor, event consultant and public relations executive, having provided her talents to Office Depot, Truly Nolen, Dunkin' Donuts, the Coast Guard Foundation and others.

She is a 2018 CMP candidate.

Try one of these at your next meeting, tradeshow or convention:

Interactive Scavenger Hunts

Full interaction is the main ingredient in the recipe for our corporate scavenger hunts. Employees are placed into teams and sent out to find characters and clues strategically placed around the property. Professional actors are stationed across the designated venue or event site for maximum coverage and to facilitate the event from start to finish. Tasks are custom-created for your theme or goal.

Mystery Dinners or Full Weekend Retreats

Your employees can be part of the show and interact as an "audience actor," or they can just sit back and enjoy. No one is ever forced to do anything, except have fun. Mysteries from Actors With a Clue! allow attendees to experience the entire event, so staff, food and setting may be fully appreciated, and no one feels rushed or like they're missing the action. Retreats start when employees arrive with the introduction of a character or two...add all the elements of cocktails and dinner...and then wrap things up the following day, where the mystery is solved.

Atmosphere Actors/Comedic "Bust Ins"

Actors With a Clue! has several themes to choose from, ready to go, for Atmosphere Actors; or the actors will incorporate a set theme from your conference or meeting. Perfect for auctions, galas or for when lighter entertainment is preferred. "Bust Ins" are shorter programs around 20 minutes in length and are most effective for cocktail hours, room changeovers or even during dessert.

"I've been on both sides of the event platform," Revilla states. "So I have seen firsthand what works, what doesn't work and what can be done to ensure a match with the ideal event services for your company functions."
