*Custom Shows, Custom Menus=Perfect Events*

“How do upscale dinner and show packages sound, done the right way?” says Lori Revilla, Owner and Event Consultant of Actors With a Clue! “I’ve got custom-written themes that pair seamlessly with existing menus, or a complete custom package can be created. Plus, guests experience the entire event, so staff, food and setting may be fully appreciated, and no one feels rushed or like they’re missing the action.”

Currently, Actors With a Clue! services all of Florida, Georgia and North and South Carolina, and Revilla is looking to bring interactive shows to private rooms in restaurants and larger-scale venues that can accommodate a variety of guests.

Revilla is unique in the sense that she is both a planner and supplier, providing seamless event integration with her sister company, Events From Lori. She has over 20 years’ experience as a former SAG-AFTRA actor, event consultant and public relations executive, having provided her talents to Office Depot, Truly Nolen, Dunkin’ Donuts, the Coast Guard Foundation and others.

Revilla states. “What I offer is much more than ‘dinner and a show.’ I have worked with caterers and venues many times, and so often I have seen a disconnect between vendor and venue. I’d like restaurant and site managers and owners to know I am there to bridge that divide.”

She offers full liability and blanket accident insurance on all performers and crew. And especially for restaurants, a dedicated ticket portal: You concentrate on your business, she'll handle the event.

Choose from:

- **Interactive Scavenger Hunts**  
Ideal for larger venues, professional actors are stationed across the site for maximum coverage and to facilitate the hunt from start to finish.
- **Mystery Dinners**  
While audience participation is welcomed, no one is ever forced to "act" in these shows, unless they want to. Versions for the public and versions for corporate & social groups make for a truly personalized experience.
- **Mock Wedding Shows**  
Designed for larger audiences, mock weddings offer clever, updated scripts for a really unique entertainment experience.

A large variety of themes are available, and new ones are added every year so they are always fresh and entertaining.
