The Vishal Raju Bhagat Foundation

Est. November 2006

The Vishal Raju Bhagat Foundation was established to celebrate the life of Vishal and carry forward his mission of fighting juvenile diabetes by granting funds for innovative research, improving education and advocacy within the general public, and improving the lives of children afflicted with diabetes and in need. The Foundation focuses its efforts on building sustainable relationships within our local communities to provide a positive, direct effect on the beneficiaries of its grants. A strong base of overwhelming volunteer support and generous donations from an abundance of supporters has validated the Foundation and its mission and has created an aura of pride and integrity in the accomplishments of the Foundation. Thank you, sincerely, to each and every donor, volunteer, Director, and participant for this success.

The primary fund raising event for the Foundation is the Vishal Bhagat Memorial Golf Tournament. Funds raised from this event have allowed for grants to various charities, including the Juvenile Diabetes Research Foundation, March of Dimes Foundation, American Diabetes Association, and other local organizations. The Foundation is proud to host this event at NorthShore Country Club and has arranged numerous activities for you to enjoy throughout the weekend. We look forward to another successful event this year and ask you to join us in our efforts to fight Juvenile diabetes and assist those in need.
