"A Sacred Warrior Fights Against Diabetes"

Vishal Raju Bhagat Foundation

History

On August 26, 2006, Vishal Bhagat, the only son of Mr. Raju Bhagat lost his precious life in a drowning accident at Lake Corpus Christi. It was a heavy sorrow for him, his family and friends. We all understood reality, and stood up for Vishal's noble and sacred war against diabetes. Vishal's spark of life motivated all of us. In November of 2006, we started the Vishal Bhagat Memorial Golf Tournament to raise funds, primarily to fight against juvenile diabetes. This is the 12th year of this journey. Now, it has become a pressing mission to fight against diabetes and raise awareness of the disease within various communities.

Hope

One day, we all hope, we will find a cure for diabetes. The scientific community will make strides to beat this disease, which has affected so many of our brothers and sisters.

Future

The Vishal Raju Bhagat Foundation aspires to continue to broaden this movement through increasing participation in the Vishal Bhagat Memorial Golf Tournament. The Vishal Raju Bhagat Foundation is a platform upon which ideas and thoughts are communicated. Our hope is that our efforts will provide the fuel, that when ignited by Vishal's spark into a flame, will produce the needed energy to eradicate diabetes.

ED RACHAL FOUNDATION

The Mission of the Ed Rachal Foundation is established by the last will and testament of the Foundation's benefactor. In his will dated June 2, 1964, the late Ed Rachal decreed, "...I devise and bequeath the rest and residue of my estate of every kind and wheresoever situated real, personal and mixed, to such corporation to be used exclusively for the benefit of charitable, scientific, literary or educational purposes within the State of Texas" In keeping with this instruction, the Ed Rachal Foundation was created on July 29, 1965.

This rather profound, albeit simple statement provides the mission pursued by the Foundation's management staff and Board of Directors.
