Let's fight together for a cure

for Juvenile Diabetes. We appreciate your

participation and support. Thank you

for helping us strive for a cure!

The Vishal Raju Bhagat Foundation
Est. November 2006
“ASacred Warrior Fights Against Diabetes”
Vishal Raju Bhagat Foundation

History

On August 26, 2006, Vishal Bhagat, the only son of Mr. Raju Bhagat lost his precious life in a drowning accident at Lake Corpus Christi. It was a heavy sorrow for him, his family and friends. We all understood reality, and stood up for Vishal’s noble and sacred war against diabetes. Vishal’s spark of life motivated all of us. In November of 2006, we started the Vishal Bhagat Memorial Golf Tournament to raise funds, primarily to fight against juvenile diabetes. This is the 16th year of this journey. Now, it has become a pressing mission to fight against diabetes and raise awareness of the disease within various communities.

Hope

One day, we all hope, we will find a cure for diabetes. The scientific community will make strides to beat this disease, which has affected so many of our brothers and sisters.

Future

The Vishal Raju Bhagat Foundation aspires to continue to broaden this movement through increasing participation in the Vishal Bhagat Memorial Golf Tournament. The Vishal Raju Bhagat Foundation is a platform upon which ideas and thoughts are communicated. Our hope is that our efforts will provide the fuel, that when ignited by Vishal’s spark into a flame, will produce the needed energy to eradicate diabetes.

A Career Dedicated to Helping Families
Secure Their Financial Futures

Sharan, Seema, Jaydev & Sachin Patel

Jaydev Patel credits his success to hard work, dedication and commitment to his clients. He believes first and foremost "what is best for your clients is best for you."

Jay says he is "heartened that the journey I started 40 years ago will continue. I have seen Sachin, Seema and Sharan grow and mature. And now I see them helping their clients just as I have my clients for all of these years."

Jay has passed along his values and knowledge to his children so they can continue to help our community plan for a secure financial future.

"We rarely have to sell products, because most of our clients have become friends. We value them as something more than clients -- as family members."

ITS4THEKIDS Foundation focuses on helping children who are facing unique challenges to their health and wellbeing. With chapters located in Florida, New York, North Carolina, Texas and Puerto Rico, **ITS4THEKIDS** provides resources to children in need worldwide.

Ricky Patel, Esq founded and established **ITS4THEKIDS** Foundation to specifically help with children's causes. The primary initiatives focus on providing new duffel bags to foster children in the Bags of Hope project, the Drums of Hope project which provides food and necessities to children in need worldwide which includes the Million Meal Pledge, the Nicklaus Children's Hospital in Miami's "Hope Child", the Bridge the Gap project which serves to connect police officers and children in under served communities, and the Pitch Perfect Program available worldwide for anyone to pitch an idea to help children in need and have their project funded.

Bags of Hope

The Bags of Hope project provides new duffel bags and supplies to foster children.

Bridge the Gap

Bridge the Gap initiative serves to connect police officers and children in undeserved communities.

Pitch Perfect

The Pitch Perfect Program is an initiative available worldwide for any organization or individual to pitch an idea to help children in need for funding consideration from **ITS4THEKIDS**.

Drums of Hope

The Drums of Hope initiative provides food and necessities to the Gracious Hands Orphanage in Haiti which includes the Million Meal Pledge.

Hope Child

The Hope Child project supports the Nicklaus Children's Hospital in Miami.

Our Mission is to provide a better quality of life to all children through hands-on assistance. This is accomplished through developing and funding new innovative programs and creating easier access to resources to create a community culture of giving back. We strongly believe this will provide children the opportunity to become healthy and fulfilled adults who could then help others in the community and around the world.

100% of every dollar is donated to the organization is contributed directly to a cause or program, with no funds held back for any expenses or administration costs, as any such costs are rather taken on directly by the founder Ricky Patel, so that there is full transparency that every dollar contributed is going to children in need.

ED RACHAL FOUNDATION

The Mission of the Ed Rachal Foundation is established by the last will and testament of the Foundation's benefactor. In his will dated June 2, 1964, the late Ed Rachal decreed, "...I devise and bequeath the rest and residue of my estate of every kind and wheresoever

situated real, personal and mixed, to such

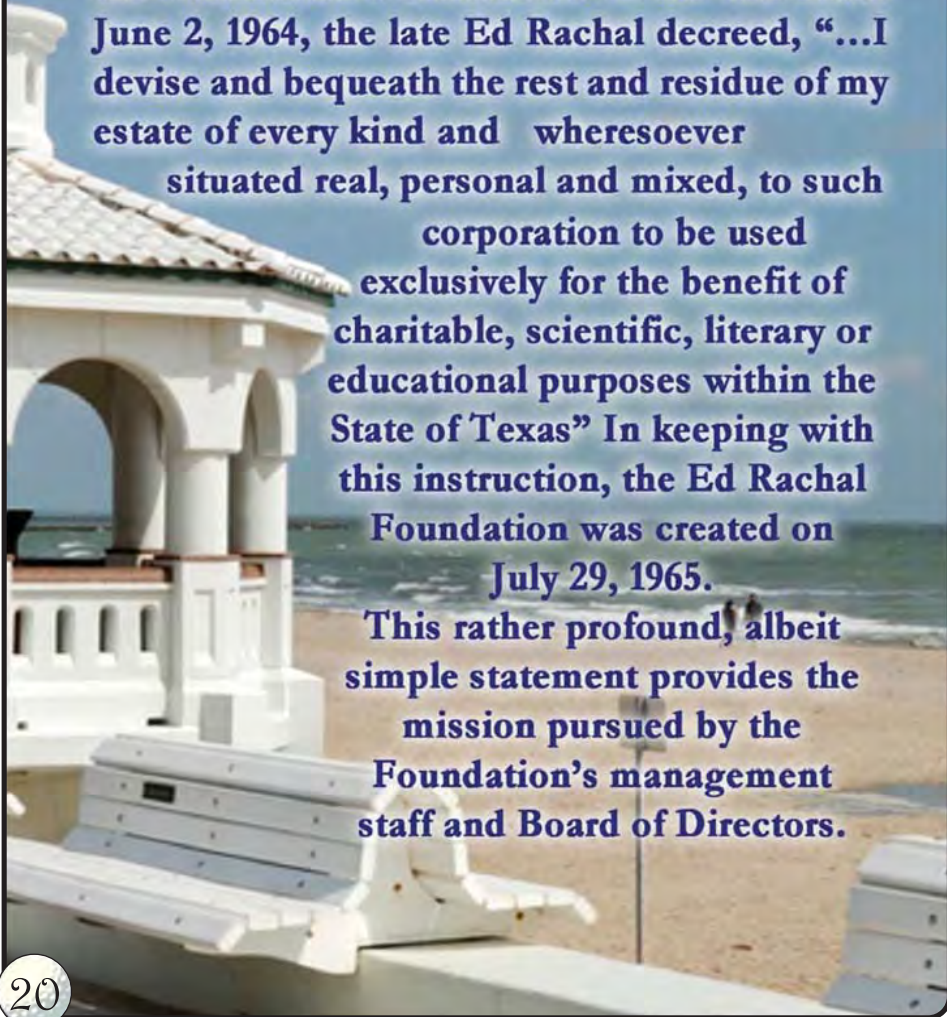

corporation to be used

exclusively for the benefit of charitable, scientific, literary or educational purposes within the State of Texas" In keeping with this instruction, the Ed Rachal

Foundation was created on

July 29, 1965.

This rather profound, albeit simple statement provides the mission pursued by the Foundation's management staff and Board of Directors.

A Fond Farewell...

ROBERT ADLER

A Hero to the Vishal Raju Bhagat Foundation, to colleagues, friends, and even to strangers, Robert Adler was a man of integrity, humility, an infectious smile to put you at ease, and a kind and generous heart. Mr. Adler passed on to the fairways of heaven on July 4, 2022. He and his wife, Chris, were often referred to as the "First Couple" of Corpus Christi, serving the Coastal Bend community with grace and dignity year after year. They are dear friends with Mr. Raju Bhagat and have shared business interests, friends, philanthropy, and kind hearts. Mr. Adler's presence will be missed dearly by the Bhagat family, friends and all who had the pleasure of meeting him.

Abraham Lincoln said, "In the end, it's not the years in your life that count. It's the life in your years." Those years were a true blessing to all of us and a testament to living life with integrity, honesty, and compassion. Though he may not be here in body, we are sure he is here in spirit... smiling at us all, offering a handshake or a bear hug, and wishing us all the best the world has to offer.

Thank you, Robert, for sharing your life with us! You were a legend, and legends live forever!

To Two Heroes of our Foundation!

HARIVADAN BHAKTA

A Hero to the Vishal Raju Bhagat Foundation, with a giving heart, vibrant smile and resonating laugh, and joyous optimism with every conversation, Mr. Bhakta passed on to the fairways of heaven on October 30, 2022. Hari, along with his wife, Kalaishaben, have been dedicated supporters of the Vishal Bhagat Memorial Golf Tournament. They travel all the way from Tennessee and come every year with Mohanbhai to bless our bellies with

delicious authentic Indian cuisine and grace us with their generosity. In similar fashion to the Vishal Raju Bhagat Foundation, Hari has spread his spirit into the lives of all who have participated in the Vishal Bhagat Memorial Golf Tournament over the years. He was a very important part of the success of our event and his light will continue to shine upon the Vishal Bhagat Memorial Golf Tournament.

Thank you, Hari, for sharing your life with us! We'll miss you and you will remain in our hearts forever!
