for helping us strive for a cure!*

The Vishal Raju Bhagat Foundation  
Est. November 2006  
"ASacred Warrior Fights Against Diabetes"  
Vishal Raju Bhagat Foundation

## History

On August 26, 2006, Vishal Bhagat, the only son of Mr. Raju Bhagat lost his precious life in a drowning accident at Lake Corpus Christi. It was a heavy sorrow for him, his family and friends. We all understood reality, and stood up for Vishal's noble and sacred war against diabetes. Vishal's spark of life motivated all of us. In November of 2006, we started the Vishal Bhagat Memorial Golf Tournament to raise funds, primarily to fight against juvenile diabetes. This is the 17th year of this journey. Now, it has become a pressing mission to fight against diabetes and raise awareness of the disease within various communities.

## Hope

One day, we all hope, we will find a cure for diabetes. The scientific community will make strides to beat this disease, which has affected so many of our brothers and sisters.

## Future

The Vishal Raju Bhagat Foundation aspires to continue to broaden this movement through increasing participation in the Vishal Bhagat Memorial Golf Tournament. The Vishal Raju Bhagat Foundation is a platform upon which ideas and thoughts are communicated. Our hope is that our efforts will provide the fuel, that when ignited by Vishal's spark into a flame, will produce the needed energy to eradicate diabetes.

with New York Life

## Success and succession.

"Sometimes I think our clients are more excited to see Sachin and Seema in the business than I am. It's because they have come to care for our family, plus the fact that the majority of them also have taken pride in their own family members joining their respective businesses. From a purely client perspective, they are ecstatic that there is a continuation of those relationships that I have spent decades building."

Seema, Jaydev and Sachin Patel – together they have more than 80 years of industry experience. Jay has passed along his values and knowledge to Sachin and Seema so they can continue to help our community plan for a secure financial future.

## Jaydev Patel, the most successful agent in New York Life's 178-year history.

In 1973, Jaydev Patel walked into his local New York Life office with the intention of becoming a part-time agent until he "found a new job." Fifty years later he stands as the most successful agent in New York Life's history, and his business continues to thrive today.

"Thanks to his tireless work ethic, unwavering dedication, and commitment to his clients, Jay has delivered financial security and peace of mind to thousands of individuals and their loved ones. In doing so, he's placed a staggering amount of life insurance coverage with clients that far exceeds the amount of any other agent in New York Life's 178-year history," said Craig DeSanto, New York Life Chair, President & CEO.

Mr. Patel has qualified for New York Life's Chairman's Cabinet, a group of New York Life's top 50 agents based on sales excellence, every year since its inception. A decade into his career, he earned the title of New York Life Council President in 1983 – the highest honor the company can bestow to an agent. He's also a Qualifying Life member of the Million Dollar Round Table, one of the most distinguished groups in the life insurance industry globally as the standard of excellence for sales performance, having qualified for 50 years.

Despite his many achievements over the course of his distinguished and ongoing career, Mr. Patel measures success by the number of lives he has protected and the impact he's had on his clients and their families. "I personally think there is no other profession, if practiced with integrity and compassion, that provides as much personal satisfaction," explained Mr. Patel. "I truly enjoy my work."

Over the years, Mr. Patel has committed to philanthropic work as well. In particular, he spearheaded and oversaw the renovation of three schools in his hometown, including two high schools and a primary school in Sojitra, India.

In honor of Mr. Patel's decades of service to his clients – and for being the most successful agent in the history of New York Life – the company is recognizing him in a way that will endure well into the future. The soon-to-open, state-of-the-art collaboration space in New York Life's landmark Home Office building will be dedicated as the Jaydev R. Patel Conference Center, with a statue and plaque recognizing his many accomplishments.

# Business Banking *Beyond* a Loan

At IBC Bank, we do more than provide commercial loans. We offer face-to-face service, and that means our loan officers are as much a part of your project as the rest of your team. The fact is, we value relationships, and we believe that your success leads to the success of our community. It's the reason we've been your hometown bank.

**We Do More,** so you can do more.

ITS4THEKIDS.COM

ITS4THEKIDS Foundation focuses on helping children who are facing unique challenges to their health and wellbeing. With chapters located in Florida, New York, North Carolina, Texas and Puerto Rico, ITS4THEKIDS provides resources to children in need worldwide.

Ricky Patel, Esq founded and established ITS4THEKIDS Foundation to specifically help with children's causes. The primary initiatives focus on providing new duffel bags to foster children in the Bags of Hope project, the Drums of Hope project which provides food and necessities to children in need worldwide which includes the Million Meal Pledge, the Nicklaus Children's Hospital in Miami's "Hope Child", the Bridge the Gap project which serves to connect police officers and children in under served communities, and the Pitch Perfect Program available worldwide for anyone to pitch an idea to help children in need and have their project funded.

#### Bags of Hope

The Bags of Hope project provides new duffel bags and supplies to foster children.

#### Bridge the Gap

Bridge the Gap initiative serves to connect police officers and children in underserved communities.

#### Pitch Perfect

The Pitch Perfect Program is an initiative available worldwide for any organization or individual to pitch an idea to help children in need for funding consideration from ITS4THEKIDS.

#### Drums of Hope

The Drums of Hope initiative provides food and necessities to the Gracious Hands Orphanage in Haiti which includes the Million Meal Pledge.

#### Hope Child

The Hope Child project supports the Nicklaus Children's Hospital in Miami.

**Our Mission** is to provide a better quality of life to all children through hands-on assistance. This is accomplished through developing and funding new innovative programs and creating easier access to resources to create a community culture of giving back. We strongly believe this will provide children the opportunity to become healthy and fulfilled adults who could then help others in the community and around the world.

100% of every dollar is donated to the organization is contributed directly to a cause or program, with no funds held back for any expenses or administration costs, as any such costs are rather taken on directly by the founder Ricky Patel, so that there is full transparency that every dollar contributed is going to children in need.

ITS4THEKIDS Foundation is a registered 501(c)(3) charitable organization.
