

EBENEZER
Discipleship Training Center

Giving Catalog 2021

Our Mission

Ebenezer Discipleship Training Center seeks to raise up and equip indigenous disciples of Jesus Christ in Haiti while helping to transform the community and surrounding areas in which it operates, through the local church, by joining what Christ has already started. We also seek to encourage spiritual growth in the short term missionaries who visit and help them understand that when they go home they are indigenous missionaries themselves.

Ministry Needs

Our EDTC budget is \$10,000 per month.

This amount covers the cost of our discipleship and leadership classes, staff, kid's club, the primary school, and Ramase Lajan. There are no paid US staff or board members. 100% of donations go to Haiti for expenses. With the national shutdown in 2020 we were unable to have our normal fundraisers. We were blessed to be able to maintain the ministry during this time, but we are in need of one-time donations and monthly supporters. Would you consider partnering with EDTC this season?

Administration Fund - \$2,000

Since the beginning of the ministry, admin funds have been separate from our general fund in order that 100% of donated funds would go to Haiti directly for the ministry. Typically we raise these funds through fundraisers throughout the year specifically for the admin fund. Because of Covid we have not had many fundraisers and our admin fund is in need of replenishing. These funds pay for insurance, mailings, copies, and paypal fees. We are looking for \$2000 to replenish and add to this fund for the year.

Stock Gift

Make your charitable gift go further by giving a stock gift to Ebenezer DTC and know your money is invested in a cause important to you. Plus, you can avoid capital gains taxes on stock and receive a charitable income tax deduction for the fair market value of stock at the time of the gift. Stock gifts can begin by contacting our treasurer at edctreasury@gmail.com

Our Vision

Empowering and enabling the church in Haiti through discipleship, job creation, and self sustainability.

House for Madam Joel - \$500

Madam Joel has been a very close friend of EDTC since the beginning. She is a prayer warrior in the church, leads a women's prayer group, and prays for EDTC - its board, supporters, and staff everyday. Madam Joel lost her house during the earthquake of 2010. At that time we helped by building her a new home. Since then her house has deteriorated and she is in desperate need of a block house. Last year we were able to raise part of the funds to start rebuilding her house. Finishing her house will cost \$500 in order to withstand the elements.

Solar Power - \$9,000

We are in need of new batteries and an inverter to allow us to utilize our solar power and not have to use the generator. This will cost \$9,000. The batteries have a 3 year life span. Using solar power is much more reliable than depending on the electricity in Haiti which is often turned off by the government.

Our Vision

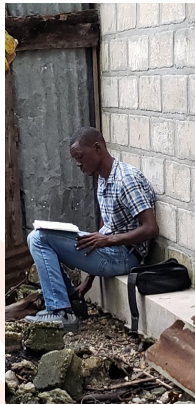

Empowering and enabling the church in Haiti through discipleship, job creation, and self sustainability.

Dorm Renovations - \$3,000

The dorm for the discipleship students was the first building we erected at EDTC. While functional, they are in desperate need of repairs and upgrades. We started remodeling it last year, but there is still some work left to do and we would like to provide new bunk beds for the students when they board during classes. These dorms hold 16 students and estimated cost for building supplies, labor, and bunk beds is \$3000.

Wall - \$2,000

Since the earthquake in '10 we have been working on repairing the wall around the Ebenezer compound. This project is close to being complete and will require \$2000 for labor and supplies.

Give Haitian Harvest Gifts

Check out all of our Haitian Harvest items featuring our Haitian Blue Bean Coffee, vanilla and almond flavorings, Moringa products and hand crafted metal art. They make wonderful Christmas gifts!
