

EBENEZER
Discipleship Training Center

Giving Catalog 2022

Our Mission

Ebenezer Discipleship Training Center seeks to raise up and equip indigenous disciples of Jesus Christ in Haiti while helping to transform the community and surrounding areas in which it operates, through the local church, by joining what Christ has already started. We also seek to encourage spiritual growth in the short term missionaries who visit and help them understand that when they go home they are indigenous missionaries themselves.

Ministry Needs

Our EDTC budget is \$10,000 per month.

This amount covers the cost of our discipleship and leadership classes, staff, kid's club, the primary school, and Ramase Lajan. There are no paid US staff or board members. 100% of donations go to Haiti for expenses. With the national shutdown in 2020 we were unable to have our normal fundraisers. We were blessed to be able to maintain the ministry during this time, but we are in need of one-time donations and monthly supporters.

Would you consider partnering with EDTC this season?

Administration Fund - \$2,000

Since the beginning of the ministry, admin funds have been separate from our general fund in order that 100% of donated funds would go to Haiti directly for the ministry. These funds pay for insurance, mailings, copies, and paypal fees. *We are looking for \$2,000 to replenish and add to this fund for the year.*

Stock Gift

Make your charitable gift go further by giving a stock gift to Ebenezer DTC and know your money is invested in a cause important to you. Plus, you can avoid capital gains taxes on stock and receive a charitable income tax deduction for the fair market value of stock at the time of the gift.

*Stock gifts can begin by contacting our treasurer at
edctctreasury@gmail.com*

Our Vision

Empowering and enabling the church in Haiti through discipleship, job creation, and self sustainability.

Finish House for Pastor Marc - \$6,000

Pastor Marc who has devoted his time, resources, and talents to EDTC, is in need of assistance to finish the upper part of his home. This will help to withstand the elements and allow his house many years of life for his family and the students he discipless.

Estimated cost is \$6,000

Outhouse - \$4,500

Due to the poor plumbing in Haiti and the close proximity of EDTC to the ocean and where many others live, there is need for new toilet hole on the property. This will be easier to maintain and not affect those who live between EDTC and the ocean.

Estimated cost is \$4,500

Our Vision

Empowering and enabling the church in Haiti through discipleship, job creation, and self sustainability.

Rebuild Front Wall - \$8,000

In the last year we were able to build the wall around the Ebenezer compound. But continued maintenance is needed for the front wall of the yard.

This project will require \$8,000 for labor and supplies
