Giving Catalogue 2020

Our Mission

Ebenezer Discipleship Training Center seeks to raise up and equip indigenous disciples of Jesus Christ in Haiti while helping to transform the community and surrounding areas in which it operates, through the local church, by joining what Christ has already started. We also seek to encourage spiritual growth in the short term missionaries who visit and help them understand that when they go home they are indigenous missionaries themselves.

Ministry Needs

Budget

The budget for EDTC is \$10,000 per month. This amount covers the cost of our discipleship and leadership classes, staff, kid's club, the primary school, and Ramase Lajan. There are no paid US staff or board members. 100% of donations go to Haiti for expenses. With the national shutdown in 2020 we were unable to have our normal fundraisers. We were blessed to be able to maintain the ministry during this time, but we are in need of one-time donations and monthly supporters. Would you consider partnering with EDTC in 2021?

House for Madam Joel

Madam Joel has been a very close friend of EDTC since the beginning. She is a prayer warrior in the church, leads a women's prayer group, and prays for EDTC - its board, supporters, and staff everyday. Madam Joel lost her house during the earthquake of 2010. At that time we helped by building her a new home. Since then her house has deteriorated and she is in desperate need of a block house. The pastors and staff of EDTC, as well as the board, would like to bless her by helping her build this house. \$3000 is needed to provide her permanent shelter that will withstand the elements.

Bibles

When our discipleship and leadership students graduate, it is a big deal! Graduation ceremonies last for over 4 hours, with a celebration dinner afterwards. It is a time to commission the graduates to the mission field, which will most often be their home communities. Beginning in 2021 we will give each graduate a Bible that has been personalized for them. We will also provide an extra Bible that they will be charged with giving to someone who does not have one, to spend time with them, to help them grow in their faith. This is the ultimate goal of our school - to pass on what they learn with others. Each Bible costs \$10. They are in the Haitian Creole language and are purchased in Haiti.

Our Vision

Empowering and enabling the church in Haiti through discipleship, job creation, and self sustainability.

Dorm Renovations

The dorm for the discipleship students was the first building we erected at EDTC. It was brought in after the earthquake in 2010. While functional, they are in desperate need of repairs and upgrades. We would like to tile the bathrooms and showers, and put a ceiling over the sleeping quarters. These dorms hold 16 students.

Coffee Seedlings

We have been planting coffee seedlings for 3 years now in Church communities where we have graduates of EDTC. These seedlings are distributed to many families in the community and will provide income for generations to come. Seedlings are purchased from Selecto coffee, our in-country coffee producer. Seedlings cost \$1 each and in 3 years will start to yield approximately 8 pounds of coffee per year. Over the next 20 years the \$1 investment will yield around \$400! 10% of this return goes directly to the local Church, and another 10% to EDTC bringing a sustainable income to families, the Church, and EDTC for generations to come!
