Giving Catalog 2019*

*\*Thanks to your generous donations in 2018 the dorms were built and we were able to get all the batteries for the inverter to help keep the electricity on at Ebenezer DTC\**

### **Discipleship School**

Please consider partnering with us by becoming a monthly donor. EDTC's monthly budget will be \$11,000 in the new year.

### **Disciple/Leadership Student Scholarship:**

Partner with us in sponsoring more students to attend each class offered at Ebenezer DTC. For the three month course it costs \$2,200/per student.

### **Ebenezer DTC Campus Updates**

**Furnishings for New Dorms:** Now that the dorms are built, we need to furnish them with everything from hangers to mattresses. \$5,000

**Bathrooms for the Guest House:** \$3000/per bathroom (2)

**Kitchen renovation:** Our cooks need a private space to cook the food, currently it is in view of the canteen and all people coming into the grounds. This will help us build a wall to close off the kitchen and give them more privacy to do their work. \$3000

**Ladder for building upkeep:** The buildings we are building are tall because of our limited space and we have no good ladder for the upkeep on them so we are in need of a 40' extension ladder. \$700

## **Ebenezer Church Primary School**

The Ebenezer Church in Petit Goave runs a Primary School. We would like to anonymously bless them by supporting their teacher's salaries. \$100 per teacher a month, or \$1,200 per teacher a year.

## **Ministry Partners**

Child Evangelism Fellowship (CEF) has been training our Kid's Club leaders and the Children's Ministry leaders in the church. There are two more trainings to complete. \$800 each.

## **Coffee Seedlings**

We would love to bless the mountain farmers with more coffee seedlings. At just a \$1 per seedling, they produce around \$15 of income per year for the farmer. In three years, these plants will produce coffee that we will buy from the farmers to sell through our Haitian Harvest Initiative<sup>(see below)</sup> \$1 per seedling

## **Stock Gift**

You can give a stock gift to Ebenezer DTC to see your charitable gift go further and make more of a difference. You'll be able to know your money is invested in a cause important to you, you can avoid capital gains taxes on stock, and receive a charitable income tax deduction for the fair market value of stock at the time of the gift. See below for information on stock donations.
