Public Notice
Contract Addendum 001 to Original RFP 002-2025

November 4, 2025

The Huron County Land Reutilization Corporation (“Huron County Land Bank”) has issued an **addendum** to the original **RFP Project/Bid # 002-2025** seeking bids for demolition services for 130 Shady Ln, Norwalk, Ohio, commonly referred to as the “Old Administrative Campus”.

Within each bid submit two costs associated with the “In-fill” portion of the RFP.

One cost should address “Clean Fill” dirt under “Quality of Demolition” as outlined and defined in the original RFP.

The second cost should address crushing as in-fill instead of dirt. Crushing is required to be no larger than a 304-type mix. Crushing on site is permitted but must be conducted in a clean manner in accordance with dust control measures. Like the dirt, the crushed in fill must be compacted to ODOT 203 specifications and 6 inches of topsoil is required as is seeding and finishing.

This addendum, along with the original RFP, contract, and Prequalification Form can be found at HuronCountyLandbank.com. Bids must be received by 4:00 pm on November 12, 2025 with Bid Opening following at 12 Benedict Ave., Norwalk, OH 44857.
