Killer riffs and triple harmonies

With hundreds of gigs under their belts from across fifteen years playing together, **Stan** (guitar), **Ross** (drums) and **Al** (bass) are an incredibly tight trio that manage to balance raw energy with soulful triple harmonies across a massive repertoire spanning seven decades. **Undercover Monkeys** pride themselves on filling dancefloors with performances built around sixties and britpop classics, but they also throw hits arranged in their own style that cover a range of genres including ska, reggae, pop, and motown. **Undercover Monkeys** love to work closely with clients to match their set lists to any party brief. They read the room as the party evolves, feeding off the energy of the dancefloor and taking live sets in any direction. The band have a massive repertoire of tunes from across seven decades.
