# Valeria Clarke Harpist

The ultimate event harpist -  
for classical or contemporary

**Valeria Clarke** is simply the ultimate harpist; whatever your event. There are very few harpists that can successfully deliver classical pieces at the level you'd expect of an alumna of the Royal College of Music yet also be able to perform arrangements of tracks like 'Freed From Desire' and 'Empire State of Mind'. Valeria can effortlessly alternate between Herbie Hancock, Debussy, 2Pac, and Mozart with the timeless, magical sound of a harp.

**Valeria Clarke** has performed as a soloist and with her chamber music groups across the world and has won numerous awards and scholarships. She specialises in contemporary harp arrangements and has performed with artists from various genres, ranging from classical to hip-hop and electronic music. She is the principal harpist of the London Electronic Orchestra and a member of the London Contemporary Orchestra. Valeria frequently records for labels such as Decca and AMF Records.
