- Alternate payment plans will be arranged for families enrolling after the payment due dates listed above.
- In order to attend an early childhood program in the State of Connecticut, the parent/guardian must provide a copy of a health form verifying that the enrolled child has had a physical examination in the last 12 months and has received all state required immunizations. No child can be admitted to our program without a current medical form.
- When there is more than one class offered for the same program, the Director reserves the right to place a child in the class that has the most availability and best serves the developmental needs of the child.
- The school reserves the right to cancel a class due to low enrollment. The school also reserves the right to run the class with low enrollment should the school deem it to be educationally sound. However, if the school cancels the class, all tuition and fees paid will be refunded.
- The first and second Tuition Payments for 2021-22 will be refundable pending the announcement of a tuition refund policy for the 2021-22 school year for COVID-19 school closures. For details, please see attached Enrollment Application Letter.
