

Tim Muutuki

Operations, Marketing, Content Creation & Graphic Design

Profile

I was born in Germany, raised in the USA and lived most of my life in Kenya before moving back to Germany in 2008. I have a deep understanding of people, markets, cultures and what drives them. I am a passionate, driven, charismatic, and talented "Jack of all trades". I have successfully either started or been involved in the build up of several companies. I have 15+ years experience in management, operations, content creation, marketing and design. Please check my website for more depth. I bring a lot to the table. I know it almost sounds too good to be true. ;)
