

Terms and Conditions: Earn Free Months

Effective Date: 01/01/2025

Eligibility

This referral offer is available exclusively to existing customers of Natural Touch as of 1st January 2025, who have made at least three payments to date.

Offer Details

Existing customers can earn a free month of window cleaning for each new customer they refer. To qualify, the referred customer must sign up for our services and complete and pay for three consecutive months of window cleaning services.

Unlimited Referrals

There is no limit to the number of free months a customer can earn through referrals. A free month will be awarded for each eligible referral.

How the Free Month Is Applied

The free month will be credited to the referring customer's account on the anniversary of the referred customer's third successful payment. The free month applies to the regular window cleaning service for the frequency and number of windows agreed in the referring customer's current plan.

Referral Tracking

Referring customers must ensure the referred individual mentions their name when signing up. If the referral is not properly tracked (e.g., the referred customer fails to mention the referring customer), the free month cannot be awarded.

Exclusions

This offer cannot be combined with any other promotions or discounts. Referred customers who cancel before completing their third payment will not count towards earning a free month.

Changes to Terms

We reserve the right to modify, suspend, or cancel this offer at any time without prior notice. Any free months already earned will still be honoured.

Data Protection

By participating in this offer, you confirm that any information provided, such as the names of referrals, complies with applicable data protection laws, including GDPR.
