

## TIRZEPATIDE 2-Month Membership Auto-Renewals

Every 2-month Tirzepatide Membership auto-renews into another 2-month Tirzepatide Membership. Auto-renewals continue until the Member stops their Membership in-writing to their Primary Consultant. You can change the Renewed Membership during a Bi-Monthly Consult before it is shipped.

**Initial Memberships** have the same initial-dosing but auto-renew differently. Then follow subsequent auto-renewals.
