Why We Ship Semaglutide & Tirzepatide

MedPure Weight-Loss only ships prescribed, certified Semaglutide AND Tirzepatide directly from our Pharmacy to Your Door.

Here's why:

1. **No Driving.** No need for you to drive for YOUR medicine. Convenient. Save time. Hassle-free.

2. **Lower prices.** No extra storing, mixing, handling, filling, or re-packaging.

3. **Proof of prescription.** YOUR *name* & *prescription* on YOUR medicine *(proof for travel)*.

4. **Always there.** Scheduled shipments. Never run out. Never miss a dose. Never worry.

5. **Authentic.** Shipped direct from our regulated pharmacy shows YOUR medicine is authentic.

6. **Safer & cleaner.** Always clean & sterile. No unclean surfaces or hands touching it.

7. **You Control.** You control your weekly doses based on how YOU feel and like to try.

8. **Faster dosing.** Faster programmed dose-increases for rapid weight-loss & lower-cost.

9. **More potent.** Freshly shipped in cold-package assures quality, potency, & shelf-life.

10. **Full tracing.** You receive and access overnight-shipper real-time shipping, tracing, & arrival.

11. **Clear instructions.** YOUR dosing printed on your medicine labels for easy, fool-proof use.

12. **100% Pure.** YOU know nothing was added to dilute or contaminate YOUR medicine.

13. **Not mixed.** YOU know YOUR medicine is not mixed with other patients' meds.

14. **Low-cost Maintenance.** $195 a month (.6mg doses) to keep weight-off & medical benefits.

15. **Documents.** Prescription, shipping, & pharmacy docs for your plans, finances, & taxes.

16. **Phone Consults.** Convenient phone-consults on personal dosing, nutrition, & exercise.

17. **Still come.** Come into our Clinic in Alpharetta for a 3D Body Scan and consult.

That is why **MedPure** *ships only prescribed Semaglutide and Tirzepatide directly from our regulated Pharmacy to your door at low prices WITH assistance on diet, nutrition, and exercise; and WITH Maintenance Months for $195 to prevent weight rebound.*

Lock-in your supply of **Semaglutide or Tirzepatide *HERE*** *before another nationwide shortage.*
