Level 3	1,500	1,225 /yr	1,225	1000/yr		PAYABLE ANNUALLY

1.3 eRoaming

Saascharge charges 10% for the financial clearing (Invoice management) among eRoaming partners. These costs include:

- Specific eRoaming hubs costs (Hubject, Gireve) or end-to-end connection
- Financial clearing: Billing management (Invoice to external partners) and money collection
- Risk management
- Revenue settlement (Payment to Site Owner customers)

These costs are only charged by EV charging transactions coming or going to another EV charging networks (Doesn't include transaction from your EV drivers to your charging stations). Example: Your EV drivers charging at an external charger anywhere in the North America.

eRoaming Threshold fees

Monthly minimum revenue	Saascharge Fees 0
to 25,000	10.00%
25,001 to 50,000	8.50%
50,001 to 85,000	8.25%
85,001 to 125,000	8.00%
125,001 to 250'000	7.75%
> 250,001	7.50%

1.4 API portfolio

We provide a catalogue of APIs that enable customers to integrate their own applications with the Saascharge EV charging platform. The data can be populated or pushed through the platform.

Saascharge Module	Services	Monthly recurring fees
API catalogue	1 to 4 API	100
	5 to 10 API	300
	10 to 15 APIs	500

Any additional API above 15 will be charged an additional of 100 per months.
