

People experiencing homelessness need empathy, not judgment.

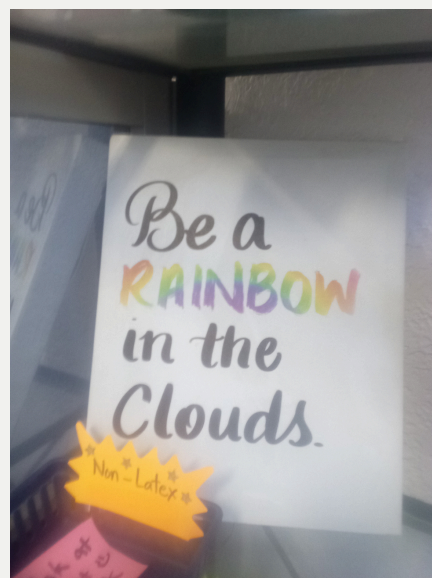

I Am currently looking for some wonderful humans to work in the community to help people experiencing homelessness by standing up for what is right, kind and what is good for the We not just focused on ME ME ME :)

Change Is Possible, If You Just Put In The Effort And If All Else Fails, Let Me BE The Example Through The Crazy Journey God Put Me On So Many Years Ago And Boy Has it Been A Journey But Now It's Time For Hope Instead Of hype and What's The BEST That Could Happen? I Mean We See How The System Is Working So Far, Do You Really Think Those Who Have Mislabeled, Mishandled, Mismanaged, Made Chaos & Crisis But Keep Blaming Those Without A Voice, Well I AM That Voice, Those Facts NOT Feelings & With Clarity & Faith...More Action, Less Words.

Until Then Follow BlueJewHopeTLC.One for FACTS, Faith, Fatherly Actions & Simple Solutions & Its Time To Wipe The Slate Clean, Start Over With The BEST Leaders For A REPUBLIC, For The People NOT for Pandering, Profiteering, Pathetic Who Call Themselves Politicians, We Want Representatives. :)

Godspeed Until Then
