6.19.26

Emergency Board Meeting called to order at 6:15pm by president Casie Hull.

This meeting was called in order to resolve and decide some parameters and final details about the added money and buckle award for the 6.20.26 show. During the last meeting in may it was voted to add \$250 to the open, NP, Cutting, JR and SR green horse classes and give buckles to the high point 1K, GTG, youth and peewee. During that time, details were missed and criteria for winners and what high point was. (Ex:What classes counted, how many classes were needed to show and qualify?)

It was discussed that it should be ran spectacular style (Ex: Herd, Rein, Cow), some members already assumed that's how it was already being ran, 3 event spect style.

Motion was made by Mickey Hull: To be eligible to qualify for buckles or added money/payout all contestants must be entered in all 3 events, "Spectacular style".

2nd was made by Paige Lake, All voted in favor. Motion passes that w/ the 6.20.26 show and all shows forward, to be eligible for added money payout or awards/buckles contestants must be entered in all 3 events. (Herd, Rein, Single Cow (fence or boxing)).

Since there was only 1 eligible peewee contestant for a buckle, Joey Weed made a motion to offer all peewee and youth riders to enter missing classes (herd or boxing) for the 6.20.26 show to make them eligible and to qualify for buckles.

2nd by Elane Drushella, Vote: 4 in favor and 1 abstained. Motion passed.

The meeting concluded at 6:50pm.
