-SEPT LOCATION IDEAS- MUSTANGERS-Pendleton, Milton Freewater, Hermiston- EOTEC Just putting feelers out there we can decide after the July show. Karen offered to get a quote for EOTEC.

-Toni-501 (c) 6 renewal?- any benefit to pay the additional (tax, sponsors, Other perks?/ Disadvantages) What does Oregon say about our club- a named entity filing taxes?

-BARBIE INPUT Members voiced that they would like to go back to the non profit status, even though we may be liable to pay back taxes since the club has stopped. Agreed to table this topic till we have a current treasures report. A discussion was held on the number of signers on the ORCHA checking acct, it was discussed that we should have at least two signers. A discussion of what a treasurer's report should entail, it needs to be more detailed than just acct balance. Need a monthly report on money coming in and going out.

-club input regarding structure? Board will vote at a later date on an awards banquet date.

-Next meeting will be July 11th. Show set up is available 8-5 Friday prior to the show. More details to come
