Rental Fees.

\$10.00 per acre

\$30.00 Minimum fee for use of the drill.

I agree to use this equipment in a prompt and careful manner. I agree to pay for damages caused by misuse, carelessness and/or negligence on my part.

The Conservation District is not liable for any accidents or unforeseen occurrences concerning the drill, or the operator renting the equipment. Lessee agrees to indemnify the Conservation District, and under no circumstances does the Conservation District assume any liability through this rental contract.

I understand the Conservation District is not responsible for delays due to equipment breakdowns and repairs.

I agree to pay the above amount due at time of drill pick up.

**I agree to grease the drill after usage and to clean it out before returning.**

I agree to provide my own pin for transportation.

I have read the above contract and agree to its terms and stipulations.
