The Confident Hiring Solution

Managers and business owners repeatedly lament their lack of skill & training when recruiting and hiring. In most cases they have no system for properly selecting new hires. We demystify the candidate evaluation routine, turning it into a step-by-step filtration process.

1. The Document Filter
2. The Knockout Interview
3. The Position Analysis
4. The Imprinting Interview
5. The Positive Transition

The value received from using the Confident Hiring Solution includes:

1. Saves you an immense amount of time
2. Quickly filters out unsuitable candidates
3. Introduces objectivity to the hiring process
4. Ensures uniformity of decision-making
5. Greatly reduces costly hiring errors
6. Significantly reduces the risk of turnover
7. Minimizes remedial training costs
8. Promotes a Culture of Excellence
9. Builds Confidence in the Hiring Decision
10. Identifies Promotable Candidates Immediately
11. Maps a Development Path from Day One
12. Inspires Confidence in Current Staff
