

How to prepare Receiving Blankets/ Burp Cloths

1. Cut flannel into 1yd pieces
2. Open the fabric and put wrong sides together
3. Cut off selvage
4. Cut 1 yard long so you have a 1yd X 1 yd piece
5. Whatever fabric is left over cut evenly into 2 burp cloths size pieces
6. Place an 8" circle pattern on the corners of the receiving blanket and cut with a rotary cutter or scissors trimming the edges
7. Do the same for the burp cloths
8. With two fabrics wrong side together surge all sides of receiving blanket and burp cloths to finish edges
9. These are then ready to be sent to the hemstitcher
10. For patterns to crochet around the edges go to the internet to find desired edge pattern.
