

Hire Harriet, our ice cream trike, for your event

Harriet is available for weddings, birthdays & private celebrations

- Six flavours of our high quality, handmade, artisan ice cream/sorbet can be stored under Harriet's bonnet – you can choose from over 16 flavours to fit your event.
- Vegan/dairy free flavours are available, as well as gluten-free cones.
- Ice cream can be served in waffle cones or in edible tubs with compostable spoon.
- We would normally stay for two hours and serve your guests at the trike, one by one.
- Alternatively, we can also supply our ice cream as a desert at your wedding breakfast.
- You are welcome to supply flowers to fill Harriet's baskets if you wish.
