# Xenetech CNC Engraving & Cutting Systems Xenetech

# XOT 1625

# XOT 1625

If your looking for a mid sized system that hits the target every time, this is the sure shot. The 1625 is a rugged, precise work horse with the largest engraving area in it's class-yet it's priced to provide an outstanding return year after year.

Here are just a few of the standard features you can expect with every Xenetech Rotary Engraving System:

- Automatic surface sensing (standard)
- 11/64", 1/4", 4mm & 6mm top-load spindles
- Ability to engrave a wide variety of materials.
- High performance Viper electronics with touch screen key pad.
- State-of-the-art motion control system
- Networkable
