

SAY 'NO' TO ONE PASEO

BRITT

Are you happy?

REE

I never know how to answer that.

BRITT

Yes or no.

REE

Yes and no.

But it's like,

There's this space between our bodies

Even when we're touching completely.

Like I still can see where their life ends

And mine begins. Like I still know nothing

Of what they'll do next. I still am like...

Here, just... For now at least—

Yeah.

BRITT

Good.

REE

But we're not...

We know

We have lots of people

Who...

BRITT

Matter.

REE

What about you?

BRITT

Not really.

REE

Not really?

BRITT

I mean people matter,

But, I'm not really

Looking for anything.

REE

...

BRITT

You look like a little boy.
It's cute.

REE

Thanks.
