

Job Title: Odoo ERP Consultant
Location: Islamabad, Hybrid
Job Type: Full-Time/ Part Time
Department: Technology Services
Reports To: Director Technology Services

Job Summary:

We are looking for a knowledgeable and client-focused Odoo ERP Consultant to lead and support the implementation, customization, and optimization of Odoo ERP solutions for our clients. The ideal candidate will work closely with clients to understand their business needs, configure Odoo modules, provide training and support, and ensure successful system adoption across departments

Key Responsibilities:

- Collaborate with clients to gather business requirements and translate them into functional Odoo solutions.
- Implement and configure Odoo modules (Sales, Purchase, Inventory, Accounting, HR, Manufacturing, etc.) based on client needs.
- Conduct gap analysis, recommend best practices, and develop solutions within the Odoo framework.
- Customize Odoo using studio tools, workflows, and light technical configuration (optionally work with developers for advanced customizations).
- Provide end-user training, support, and documentation to ensure smooth adoption and usage of the system.
- Act as a liaison between clients and technical teams for issue resolution, enhancements, and upgrades.
- Manage project timelines, milestones, and client communication throughout the implementation lifecycle.
- Support integration of Odoo with other third-party applications as needed.
- Stay current with Odoo updates, community modules, and best practices to continuously improve client offerings

Qualifications and Requirements:

- Bachelor's degree in Information Technology, Business Administration, Accounting, or a related field.
- Minimum **2–4 years of experience** in Odoo ERP implementation or functional consulting.
- Strong understanding of core Odoo modules and their interdependencies.
- Experience with business process analysis, solution design, and ERP configuration.
- Ability to manage multiple client projects simultaneously.
- Excellent communication, presentation, and client engagement skills.
- Basic understanding of Python and PostgreSQL is a plus (for collaboration with developers).
- Odoo certification

Salary: Competitive based on experience

Location of Work: Hybrid with occasional travel to client sites, if required

Application Deadline: June 15, 2025
