The N.E.T.'s Effect Company, LLC to Celebrate Grand Opening in Downtown Covington, KY with Ribbon Cutting Ceremony

The N.E.T.'s Effect Company, LLC is proud to announce the grand opening of its new office in downtown Covington, KY. To mark this special occasion, a ribbon-cutting ceremony will be held at 409 Sixth Street on March 7, 2025, at 3:00 PM.

Distinguished guests, including representatives from the Northern Kentucky Chamber of Commerce, the Greater Cincinnati Northern Kentucky African American Chamber of Commerce, city officials, and other special invitees, are expected to attend this milestone event.

Certified Public Accountant Jacquie A. Jordan founded the N.E.T.'s Effect Company, LLC to provide expert accounting and risk management services to businesses and nonprofit organizations. With more than 30 years of experience in accounting and her time as General Manager at a Fortune 100 company, Jacquie brings a wealth of knowledge and leadership expertise to help organizations navigate financial challenges and enhance operational efficiencies.

When asked about the significance of the new location, Founder & CEO Jacquie Jordan shared her enthusiasm:

“Covington is the perfect location to spur economic growth and development in the local community. Our new office in the Co-Hatch community of offices will allow us to better serve our clients in their varied locations. We are excited to be part of the growth.”

The Next-level Empowerment Team's (N.E.T.'s) Effect Company aims to impact their clients' bottom line to help them achieve desired results through their signature Consulting Services targeting individual and organizational growth in talent optimization, organizational leadership, risk management, and strategic planning. Bookkeeping and Tax Services offer solutions for businesses looking to streamline and maximize profits.

The event will provide an opportunity for attendees to tour the new office space, network with business and community leaders, and learn more about the services offered by The N.E.T.'s Effect Company, LLC.
