

SGS Membership Terms & Conditions

Last Updated: May 2026

Welcome to the SGS membership.

These Membership Terms & Conditions apply to all Surrey Girls Socials memberships, community spaces, group chats, event notifications, and related member services.

By joining the SGS membership, you agree to the following terms.

About the SGS membership

The SGS membership is a community membership designed to help women connect through:

- community group chats;
- event calendar access;
- event notifications;
- member updates; and
- social community engagement.

Membership does not guarantee attendance at events, as some events may require separate ticket purchases, venue booking fees, or have limited availability.

Some events, offers, or member benefits may occasionally be included within membership at no additional cost.

Membership Eligibility

All members must:

- be aged 18 years or over; and
- comply with Surrey Girls Socials Community Guidelines and Terms & Conditions.

Surrey Girls Socials reserves the right to refuse, suspend, or remove membership where behaviour is considered inappropriate, abusive, unsafe, disruptive, or harmful to the community.

Membership Pricing

The SGS membership is currently launching at an introductory membership price of:

£1 per month

This is a launch offer and may increase in the future.

Members will be notified in advance of any future pricing changes.

Membership fees help support:

- community platform management;
 - event organisation;
 - group moderation;
 - member communications;
 - operational costs; and
 - ongoing development of Surrey Girls Socials.
-

Membership Benefits

Membership may include access to:

- SGS community group chats;
- event calendars;
- live event notifications;
- member announcements;
- selected free member events;
- community discussions; and
- future member benefits where applicable.

Benefits may change, develop, or expand over time.

Surrey Girls Socials reserves the right to modify membership features where necessary.

Event Bookings

Membership does not include unlimited free access to events.

Many events will still require separate ticket purchases.

Event pricing, availability, venues, and booking terms will be displayed separately at the time of booking.

Some member-only events or discounted/free events may occasionally be offered.

Community Expectations

The SGS membership is intended to remain a welcoming, respectful, supportive, and inclusive community.

All members are expected to:

- communicate respectfully;
- avoid bullying, harassment, or hostility;

- respect personal boundaries;
- avoid gossip, intimidation, or harmful behaviour;
- contribute positively to the community atmosphere; and
- follow Surrey Girls Socials Community Guidelines.

We understand that disagreements may occasionally occur, but ongoing negativity, hostility, or behaviour that negatively impacts the well-being of others will not be tolerated.

Membership Removal and Community Safety

Surrey Girls Socials reserves the right to suspend or permanently remove membership access, including access to:

- group chats;
- community spaces;
- event notifications; and
- membership platforms;

where behaviour is considered:

- abusive;
- threatening;
- discriminatory;
- harassing;
- intimidating;
- unsafe;
- persistently disruptive; or
- harmful to the wider community.

This includes behaviour occurring:

- within online group chats;
- at events;
- within private member interactions relating to the community; or
- across Surrey Girls Socials community spaces.

Where membership is removed due to breaches of community standards or inappropriate behaviour:

No refunds will be provided.

This is necessary to help protect the well-being, safety, and positive atmosphere of the wider community.

Cancellation of Membership

Members may cancel their membership at any time.

Cancellation will stop future recurring payments but will not normally result in refunds for previously processed membership charges.

Access to membership benefits may continue until the end of the current billing period.

Online Platforms and Group Chats

Surrey Girls Socials may use third-party platforms, apps, or community software to manage:

- memberships;
- group chats;
- notifications;
- calendars; and
- member communication.

Members acknowledge that:

- messages and interactions may be visible to other members;
 - Surrey Girls Socials cannot guarantee uninterrupted access to third-party platforms; and
 - members remain responsible for their own conduct and communications.
