# Helping You Go Green!

We want to help you more easily source products to meet your sustainability needs. So, we've created a 3-factor method for validating the products in our assortment with accurate & verifiable global sustainable components, sustainable manufacturing practices and a responsible mindset.

- Styles with **Sustainable Materials** contain all or a portion of verified sustainable fibers or materials.
- Styles with **Sustainable Manufacturing** have been sourced across a wide range of sustainable fabric and product manufacturing practices validated by globally recognized organizations.
- Styles with **Responsible Mindset** are from brands with social and sustainable 'give-back' policies directly linked to the products sold in our industry.
- We also recognize products designed specifically to reduce use of disposable products, products designed to be easily recycled and products designed to reduce packaging waste.

Please refer to the style's product detail page for enhanced fabric and features information.
