Creating Mobility for Children with Disabilities

NORCAL TRYKERS LEAD THE WOODLAND 4TH OF JULY BIKE PARADE!

Thanks to Danielle, Jacob, Marcus, Temple, Kai and Ava for participating in the 4th of July Bike Parade. It was so exciting to see these amazing kids riding their trykes in the front of the pack. Danielle won a prize for her decorations, and her Dad mentioned that having the tryke has changed Danielle's life!

WOODLAND PROFESSIONAL FIREFIGHTERS ASSOCIATION DONATES \$6300

The whole crew of the Woodland Fire Department's Springlake station sprang into action to prepare an incredible breakfast for throngs of hungry locals for their Annual 4th of July Pancake Breakfast. They generously donated the proceeds to NorCal Trykers to purchase trykes for kids with disabilities. Thanks again, we couldn't do it without you!

100 MEN WHO GIVE A DAMN OF YOLO COUNTY DONATE \$9400

This is an amazing group of local men who are committed to supporting their community by contributing to Yolo County non-profits. Their mission involves attending a one hour meeting once every three months and pledging \$100 at each event to support a local non-profit. NorCal Trykers was the grateful recipient of their summer event.

These Corazon students assembled trykes for our August giveaway to five amazing kids.

KIWANIS CLUBS OF WOODLAND, DAVIS AND EAST SACRAMENTO COMMITTED TO PROVIDING TRYKES TO KIDS

Great things come from small beginnings! Kiwanis contacted NorCal Trykers follow our participation in the Woodland Holiday Parade last December. Since then, Kiwanis Woodland has purchased, assembled and donated three trykes another three are going to be assembled and distributed in October. Kiwanis Davis and Kiwanis East Sacramento have both purchased two with assembly and giveaway dates to be confirmed. Both of these groups have applied for matching funds from Kiwanis International so we are optimistic that each will be donating a further two or three trykes. A huge THANK YOU to our local Kiwanis groups!
