

2023 ONLINE READING RESOURCE PROGRAMME APPLICATION FORM

About the Organization:

Knowledge to Enable Your Success Inc. is a nonprofit organization established and incorporated in Barbados to benefit the youth by promoting positive values through programmes that are designed to encourage mental, spiritual and educational growth. Our programmes aim not only to provide youth with the KEYS to enable them to improve their socioeconomic circumstances, but more importantly to empower them to become the next generation of leaders.

The Programme:

Knowledge to Enable Your Success Inc. established our Online Reading Resource programme in 2020 to provide support to Barbadian students. In the spirit of Caribbean unity, applications from all Caribbean students are accepted regardless of race, color, creed, religion, sexual orientation, age, gender, disability, or national origin.

About the Programme:

The Online Reading Resource Programme was created to provide academic enrichment for Barbadian youth, especially those from underserved communities. The aim of these online sessions is to supplement students' reading, comprehension and vocabulary lessons. Additionally, the programme aims to foster a love of reading, develop social skills, help struggling readers and improve literacy skills and speaking fluency. The sessions are in group format - one instructor to multiple students. **The programme is available to Primary School students across the Caribbean** on Mondays and Wednesdays at 6:00pm – 6:40pm from **January 16 – March 29, 2023**.

To ensure the smooth running of sessions and the programme, without disruption, please pay special attention to below details:

- The programme will start and end promptly as scheduled (unless there are technical difficulties).
- Please ensure that your child is logged on **no later than 5 minutes before the session starts** and logged off immediately after each session.
- Sessions will start promptly and instructors will not pause sessions to admit late students.
- Your child must be seated in a quiet area with the camera on and mic muted (until instructed to unmute by the instructor) for the entire session so that instructors are able to gauge engagement and understanding.
- A parent or guardian must be present at all sessions (**out of eye and ear shot**).
- Students must not be assisted by persons who are present, other than the instructor.
- Absences must be communicated before the relevant session. **A maximum of 4 absences are allowed.**
- Homework will be assigned and is expected to be submitted by the due date.

MANDATORY ENROLLMENT AUTHORIZATION & RELEASE

It is important that instructors maintain order and discipline in our programme. Our main objective is to provide a safe and positive atmosphere for learning and developing skills. Instructors will make every effort to help children understand clear definitions of acceptable and unacceptable behavior. A child's behavior is expected to be consistent with the following: Use appropriate language at all times, cooperate with instructors and follow directions, respect other children, instructors and themselves and try to maintain a positive attitude.

I understand that my child is expected to treat other students and instructors respectfully and that failure to do so will result in his/her being removed from the programme. I have read the previous behavioral expectations and understand that continued participation in the Online Reading Resource Programme is contingent on the student's attention and compliance to the behavioral guidelines.

I agree to accept responsibility for the risks that may occur. I hereby agree to waive, release and discharge any and all claims for damages, which my child may have or which may develop afterward as a result of my child's participation in this programme against their person or entity whether such injury or damage was foreseeable.
