

SPONSORSHIP AND DONATION FORM FOR BOISE PREMIER HOCKEY

This is a very exciting time for Boise Premier Hockey! We had a great first season, taking second place in our division at the Idaho State Youth Championships. We are beginning our second year as a Treasure Valley high schools hockey development and travel team. We have added a second team at the U16 level as well as our established U18 team.

Our goal is to create a very successful high school ice hockey travel program in Boise. We want to offer our players the opportunity for travel tournament play and to develop our high school teams. We want to be effective on and off the ice as well, so we will continue to provide our team with volunteer opportunities in our community. Last season we participated in Wreaths Across America, honoring our veterans at Christmas time.

Like most sports, hockey requires a great deal of funding and sponsorship to continue this great tradition of training and development. We have the opportunity to continue to play hockey at a higher level with the help of our community. We will be traveling to Phoenix to play in the Phoenix President's Day Invitational Tournament. We are inviting you to take part in the development of a fine, young team of athletes.

Your money will go to supporting young athletes that are trying to better themselves in their sport, in our community. Performing at their best and becoming a responsible member of the community will ensure success for their future. We will not only be teaching the fundamentals of hard work, and dedication, but we will introduce these young men to the commitment level that the upper leagues expect. Some of our players will move on to university hockey. We need help with our uniforms and traveling to the Phoenix President's Day Invitational Tournament, as well as creating a fund for players that are in need of financial assistance.

This donation will also benefit your business, with exposure in our community. The following list are the various forms of recognition we can offer:

Please indicate what level you can participate with and also either U16 or U18 team.
