

Instructions for Circulating Nomination Papers

Signatures and Printed Name of Electors - Only qualified electors of the jurisdiction or the district the candidate seeks to represent may sign the nomination papers (therefore, they must reside in the State of Wisconsin). Each signer must also legibly print their name.

Each elector must provide their residential address (no P.O. Box addresses). A post office box number alone does not show where the elector actually resides.

The date the elector signed the nomination paper, including month, day and year, must be indicated.

Ditto marks that follow correct and complete address or date information are acceptable. The circulator may add any missing or illegible address or date information before the papers are filed with the filing officer.

Signature of Circulator - The circulator should carefully read the language of the Certification of Circulator. THE CIRCULATOR MUST PERSONALLY PRESENT THE NOMINATION PAPER TO EACH SIGNER. THE NOMINATION PAPER MAY NOT BE LEFT UNATTENDED ON COUNTERS OR POSTED ON BULLETIN BOARDS. The circulator's complete residential address including municipality of residence must be listed in the certification. After obtaining signatures of electors, the circulator must sign and date the certification.

As a circulator, the date under "Certification of Circulator" must be on or after the last date of any elector who has signed. Any elector signatures who are listed after the date of certification will be rejected.

The circulator may also, one time, sign as an elector.

Leave the page number box blank. This will be filled out by the campaign before official submission.
