Ideas to help inspire your giving heart

If you have a Newfie Therapy dog near one of the stations or hospitals, swing by to say hello. Some may take visitors. Others may not. If they don't, you can suggest setting up outside and telling them: "I'm here to thank you for your service and to provide free therapy dog services to any of your employees who may need stress relief." Have a pop-up chair and water handy if you need to sit for a while, and ensure you aren't blocking an entrance.

Send Virtual Pet Therapy

Grab some thank you or blank greeting cards from the Dollar Store, print off your favorite Newfie pictures, insert them in the card or paste them on the cover. On a personal note, "thank you for all of your hard work protecting our community." or anything that comes from your heart.

Get creative. Make your cards with crayons, paints, and markers. Involve your children, and make it a family. You can mail or drop them off in person.

There are lots of websites and apps for making cards. A few of my favorites are:

Canva (has a free version)

Felt You can find it on the app store. Excellent and easy to use, but you must pay for each card you create. Less expensive than most greeting cards, and they'll mail it for you!
