## Dear Friends of Centre Wildlife Care,

During this season of giving, we hope that you will remember all of the wild animals in need.

**Centre Wildlife Care is funded only by donations!**

Your contribution goes a long way to help us provide professional care to these orphaned and injured wild animals.

This year CWC provided care to over 2,000 wild animals, which included bald eagles, owls, raccoons, and many common species that are orphaned due to human influence like construction, cars, and landscaping.

We accept all native species of wild animals that need help.

Centre Wildlife Care (CWC) is a non-profit, tax-exempt, charitable organization that provides professional care to orphaned and injured wild animals until they can be released back into the wild. We are licensed by the PA Game Commission, the Fish & Boat Commission, the US Fish and Wildlife Service and the USDA.
