

PEERS[®] for Adolescents Social Skills Group

NOW ENROLLING FAMILIES

PEERS[®] for Adolescents is an evidence-based social skills program for adolescents in middle and high school who are interested in making and keeping friends and/or handling conflict and rejection. Adolescents and parents attend 14 weekly group sessions for 90 minutes per week. Participants are taught social skills through didactic lessons and role-play demonstrations, and practice these skills during group socialization activities. Parents attend separate sessions simultaneously and are taught how to assist adolescents in making and keeping friends (parent participation is required).

Participants will learn about:

- Developing and maintaining friendships
- Conversational skills
- Entering and exiting conversations
- Appropriate use of humor
- Handling disagreements

- Electronic communication
- Being a good sport
- Organizing get-togethers
- Handling teasing and bullying
- Changing a reputation
