## RMC IS ABOUT SERIOUS BUSINESS

Happy New Year 2026

Morning Retirees Here's to us all for a better year next time. We have lost members, we have serious health issues with many of us. Stress is a regular challenge and loss lasts a long time. I feel gratitude as each day is a gift (My doctor teased me I hope it was a tease) and told me that I was on Bonus Time) So I am accepting that promise and getting it together at home.

I have a todo list that doesn't allow fun time. Solution, I try and do something daily after a late morning start and some breakfast because about noon Fun time or nap time begins. And that darn list is not shrinking.

Since most of the list has been here a while what's another days wait? Besides, it really has to matter to get into my Bonus Time

Both of my Medical Insurance Card are here. Rx card came today. I hope yours did too call the number on back of United Health Care Card from last year if you don't have their numbers for directions.

We had a great Christmas luncheon and attendance was down. Some emergencies and some forgot. We will be having Travis Weaver speaking at our Feb. meeting. He has been here before and agreed to come back for important family estate , wills, trust, directives , care giving, Dementia and anything you may come up with. No he is not selling anything. We meet at 10am here like always at the hall. I hope you can come.

Thanks
