RMC IS ABOUT SERIOUS BUSINESS

Good Evening RMC folks. Summer has arrived. The rains have turned everything into a beautiful green Texas. With the July August arrives we will see more grass and lawn work going on everywhere. The flowering plants and trees are amazing. The winds and storms have brought injury and loss across the nation.

I hope you are prepared and have a safe place in your homes. I get in a closet with water , a battery radio , flashlights and other items.

During Covid our home was hit and damaged badly resulting in six months in temporary housing and repair on the house. Eleven windows , siding and inside water and wind damage , roof repair and building material shortages Plus the stress and isolation of the times.

We can't prepare for these fast moving storms in narrow strips. Our little neighborhood was virtually untouched. We think it it was a twister that dropped down in our path after crossing the lake. Staying safe as you can is about all we can do and pray.
