Retired Members Club

Morning Retirees,

June is busting out all over as the song goes. Between extreme weather and more extreme daily activities in Washington DC our daily lives are anything but stress free. I hope each of you are well and that summer is treating you well and vacations are fun and often.

The CWA contract has been completed and rarified. Our workers got increases in pay and other benefits. The U.S Labor Department and the Secretary of Labor appointed by President Biden have been dismissed and union workers are without recourse. The Federal unionist where so many lost jobs without notification and given little time are left with court fights and tough directions to comply for some termination pay.

Our RMC members, many who still are dues paying union member's, support our CWA Union and are happy for your good news.

To our retirees. We need your support and the fellowship of having you join with us each month at the hall. We meet at 10:00am the third Wednesday.

If you have news on any retiree who may be sick or a death. Please contact us through the hall or call one of us at home. Looking forward to next time. Priscilla
