

## March 2018 Newsletter

Greetings! Welcome to the VERY FIRST Keeping Her Keys Newsletter!

I thought that a newsletter would be a great way to talk about everything that happened in the KHK community in the past month and highlight some of the things planned for the month ahead. Let's start this off with a tribute to Hekate:

*Hail Hekate, Anima Mundi.*

*Hail Hekate, Anima Mundi.*

*Hail Hekate, Anima Mundi.*

*She who is the very soul of the world,*

*Within me lives the same spark,*

*That fuels all of creation,*

*And birthed the universe.*

*Hail Hekate, Anima Mundi.*

*Hail Hekate, Anima Mundi.*

*Hail Hekate, Anima Mundi.*

### **KHK Community on Facebook**

Some of you who are part of the KHK Facebook community may have noticed that I use a schedule for the content themes. I love schedules and themes! For February, my personal theme for the KHK Facebook page was to develop a schedule. So far, so good.

## Daily Schedule

**Mindful Mondays** – Mindfulness, meditation, self-help...maybe yoga

**Tarot Tuesdays** – All about those cards of fortune

**Witchy Wednesdays** – Spells, herbs, etc. (also usually a tribute to Mercury/Hermes)

**Thoughtful Thursdays** – Witches love knowledge! Focus on the written word

**Freebie/Freaky Fridays** – Sometimes I offer free stuff and I'm going to get more into the freaky side of things (ghosts, necromancy, psychopompery)

**ICYMI Saturdays** – No new content, instead I share things you might have missed

**Soulful Sundays** – Get a cup of coffee and take some time to explore things that feed your soul and expand your horizons

## Special Days

Of course, the Deipnon, Noumenia and Full Moon disrupt this schedule. Then there are sabbats. This month, of course, there's the Spring Equinox! Dates for these events in March are:

Date	Time	Event	Focus
March 1	Check your local time; 24 hours before and after the exact time	Full Moon	Healing Circle at KHK
March 17	24 hours before and after astrological new moon; check your local time	Deipnon	Honoring Hekate
March 18	The 24-hour period starting 24 hours after the astrological new moon; check your local time	Noumenia	Setting intentions for the new lunar cycle and seeking Hekate's blessing over them and our homes.
March 20	Check your local time	Spring Equinox/Ostara	Celebrating the start of the season on Hekate Pammator, the Great Mother
March 31	Check your local time; 24 hours before and after the exact time	BLUE Moon	Healing Circle at KHK

## **Exploring the KHK Facebook Page**

There's lots to discover on the KHK Facebook page, from videos to the photo albums. I'm not very good with the videos, but I'm getting better! It's a challenge! There's lots in the photo albums, including book reviews, altars and photos of the part of the world I call home.

## **Sharing on KHK**

I LOVE to share other blogs, photos, artwork and music. If you've got something you'd like me to share, just let me know.

## **Changes to Facebook**

Facebook changed their algorithms recently which means that you may no longer be seeing KHK updates in your feed unless I pay to put them there. So, don't forget to visit the page. You can also become my Facebook friend on my personal page because the changes shifted the emphasis to individuals and away from businesses, groups and organizations. I share most of the KHK stuff on there, too.

## **Magickal March**

I'm focusing my writing on witchcraft for the month of March. On the schedule so far: witch water, witch jars, Hekate's Garden: Oak, Making the Most of Magickal Leftovers and Making Magickal Talisman's and maybe one about my beloved knot spells. Let me know if there's a topic you'd like me to write about within this theme.
