

# QUICK START GUIDE

**VERSA**  
Your Every Day Sealer

# CREATING CUSTOM BAGS FROM A ROLL

## STEP 1

Unlock sealer to open position,  
Pull custom size bag desired  
through the front of the sealer.

## STEP 2

Close sealer & place in the locked  
position. **Sealer MUST be in the  
locked position to heat & seal.**

## STEP 3

Push **SEAL** button once to begin  
sealing. When the LED blinks &  
turns off, sealing is complete.

## STEP 4

Starting at the far end of either  
side of the sealer, slide cut  
custom bag from the roll.

## STEP 5

Unlock sealer to open, Your  
custom bag has been created  
and is ready to fill!

## STEP 6

Place open end of bag in the  
sealer. Repeat steps 2 & 3, unlock  
& remove sealed contents.
