

Intersectionality, Marginalization, and Privilege Coloring Activity Handout

Color the images representing the categories that is a part of your identity that is marginalized in Red.

Color the images representing the categories that is a part of your identity that gives you significant privilege in Green.

- Take a few moments to identify and discuss with your group the aspects of your identity that marginalize you and the aspects that give you privilege.
- Take a few moments to identify and discuss with your group the intersectionality between the aspects of your identity that marginalize you and the effect this has on you.
- Are there aspects of your identity that is not on this list that marginalize you?

This handout was created by Christopher Benny for the purpose of explaining Intersectionality, Marginalization, and Privilege. You are free to adopt it for your purposes if you choose to.
