

The Center for Teacher & Parent Support

Mathew J. Zagami, CEO/Consultant

“Making A Difference In Education Together”

Improve pedagogical practice with our
I.D.E.A
approach to professional development.

- **I**dentify
- **D**evelop
- **E**xecute
- **A**ssess

We will Create A Professional Development Plan that..

- identifies instructional needs based on observation & data.
- provides professional development to address needs.
- supports educators as they execute the plan.
- assesses program effectiveness and adjusts as needed.

Our NYC DOE & NYS Certified consultants
have successfully been providing professional development
to school communities since 2008.

*Workshops for Teachers & Administrators
In-Class Coaching with Immediate Feedback
Professional Learning Communities*
