# Every day, Arizona youth are buying and taking counterfeit pills laced with Fentanyl...

## ...and they're overdosing at an alarming rate.

### Don't wait until it's too late. Here's what you can do to stop it:

- 1 Talk with your child about **NEVER** taking a pill that's not prescribed to them.
- 2 **MONITOR** your child's texts and social media.
- 3 Get the **FACTS** on Fentanyl at [TalkNowAz.com](http://TalkNowAz.com)

**Even if you don't think your child is taking pills, talking with them could be the reason they never do.**
