Upcoming Events

- May is Mental Health Awareness Month, and we want to encourage open conversations and help break the stigma surrounding mental health. The green ribbons are for you to share with your staff, friends, and family as a symbol of support and a way to spark meaningful dialogue about mental wellness. Inside the egg, you'll find a green ribbon pin just for you, and a few stickers—these are your challenge to pass along to others and help spread awareness throughout our community. Let's work together to make mental health a normal part of everyday conversation.
- May 23rd- GRAD NIGHT is coming! We're seeking sponsors and volunteers to make this event unforgettable. Raffle prize donations are a fantastic way to contribute—let's make this a memorable celebration for our seniors!.
